Notes:

- 1) After many years of faithful service, Page Bigelow is taking a break as an usher. Thank you, Page, for your dedication and commitment. You will be welcomed back at any time.
- 2) There will be family services in July and August, but ushers are not formally scheduled.
- 3) The usher instructions have been circulated separately and are posted in the narthex.
- 4) Please use the usher roster or usher listserv to find a replacement if you are unable to serve.
- 5) If there are others in the congregation that you think would be fine additions to our ministry, please encourage them to do so.

Thank you for your ministry to the people of St. Georges's.

All best,
Michael Francaviglia
